*'There's a real advantage in dealing with companies whose principals you see in town. For me, a local, personal connection is important. I get that with Mints. I would recommend all three companies of the Mints Partnership and have done so.'*

“The Mints Partnership stays on top of our account. They handle it well, and there has never been a problem. Assistance is only a phone call away, and they always return our calls! They’re 100% responsible. We’re a small, hometown business, and we like dealing with other local businesses.”
